BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From the author of *The Color of Secrets* and *The Woman on the Orient Express* comes a poignant novel inspired by the Hollywood legend--and the secrets of--actress Merle Oberon, famous for playing Cathy to Laurence Olivier's Heathcliff in the film *Wuthering Heights*. For nineteen-year-old Estelle Thompson, going to the cinema is more than a way to pass the time; it's a way out. In 1931 in Calcutta, Anglo-Indian girls like Estelle are considered half-breeds, shunned by both English and Indian society. Her only escape is through the silver screen, where she can forget the world around her. When Estelle catches the eye of a dashing American heir with connections to a major motion-picture studio, he also captures her heart. Soon, Estelle has a one-way ticket to London and a recommendation for a screen test. To get to the top, she must keep her Indian heritage concealed--and so begins her new identity as movie goddess Merle Oberon. But just as her dreams are poised to come true, she discovers that her own family is keeping a much more shocking secret from her--one that changes everything she's believed about her past.
