Can You Believe It? is the second in a series of books containing short stories and devotions that have a definite homespun flavor. Joseph s writing is down to earth, in your face, and heartwarming all at the same time. His inspiration comes from the things that most of us pass by every day. His heart is compelled by the relationship he longs for with his Savior. This drives him to write what he feels is man s greatest need - a personal relationship with Jesus in a post-Christian era America.
