Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Proven, Step-By-Step System To Mastering college Life And Achieving Everything You ve Ever Wanted From Your College Experience Finally Revealed. The Amazing insider Secrets of Graduating Without Making Costly Mistakes. Here Is A Preview Of What You ll Learn. High school days is over! You have to finally say goodbye to your closest friends. For now, you have to move to a new chapter of your life that is more exciting- College life! It is thrilling to think about college most especially if you attended all the college fairs during your senior year. You felt that you are prepared for the bigger challenge college education has to offer. You chose the best University for you and the best course to take. It s still summer vacation but all your bags are packed and ready to go. That s how excited you are for the upcoming school opening in June. Your mind is filled with excitement, plans and dreams on how college life will look like. It s truly thrilling that you are now coming to a stage where you are going to make your dreams come true. You are now about to realize your dream of becoming a doctor, engineer, architect, and lawyer, to name a few. Widening your horizon and network and contribute to the world for a great cause is inspiring. You will meet like-minded individuals who will become your friends, and together, you will make your dreams come true. However, the beautiful things and visualizations you have in mind may not be as beautiful as they look like. What you were told during your senior years in high school may not be as good as your...
