

Earth Regenesiis: The Return of the Sons of Gods (Paperback)

By Murray Scott Pelham

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the beginning was God and it was He that created the angels. Like humankind, whom He created later, God gave the angels a self-will and those that chose to rebel against God became known as the fallen angels or demons. Earth ReGenesis is a multilevel story of the alien offspring of the fallen angels, the Genesis giants. The sex-craved, hedonistic and lustful giants return to earth a billion years after the end times. Humankind has since re-evolved and the eternal battle between God and His angels and the Prince of Darkness and his demons continues.

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
