

Brooks-Bryce Anglo-American Prize Essays, 1927: With an Introduction (Classic Reprint) (Hardback)

Filesize: 6.33 MB

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.

(Clint Labadie)

BROOKS-BRYCE ANGLO-AMERICAN PRIZE ESSAYS, 1927: WITH AN INTRODUCTION (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Brooks-Bryce Anglo-American Prize Essays, 1927: With an Introduction While the United States and the British Dominions were engaged in developing their internal resources, Great Britain led the European nations in combating the world for raw materials and in finding and developing world markets. The resultant competition and rivalry in Africa and Asia and in the Pacific did not interest us or seem to affect us. We had more than we could do at home, and our prosperity was created within our own borders. But now we are entering into the maelstrom of international trade and commerce. The open door appears to us no longer as an academic theory but as a policy that has to do with our prosperity in the years to come. It is imperative that the new generation should begin now to consider the new conditions confronting international relations. Great good is bound to come from approaching the problem with the determination that it be solved with the constant thought in mind of maintaining the traditional friendship between ourselves and the British Empire. Our polity and jurisprudence, our culture and ideals, form a precious heritage that has come to us from Great Britain. This heritage has been preserved and fostered through close and friendly relations with those of whom we are really still a part. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
