Reviews

A high quality book as well as the font applied was fascinating to see. It generally fails to charge excessive. I am just effortlessly could possibly get a enjoyment of studying a composed book.

Tarpaulin Sky Press, 2006. Paperback. Condition: New. Language: English . Brand New Book. Poetry. [ONE LOVE AFFAIR]* meditates on mud daubers, Duras, and the deaths of mentally ill and drug addicted lovers, blurring fiction, essay, and memoir in an extended prose poem that is as much as study of how we read as it is a treatise on the language of love affairs: a language of hidden messages, coded words, cryptic gestures, and suspicion. As with Jenny Boully s debut book THE BODY (2002), [ONE LOVE AFFAIR]* is full of gaps and fissures and quot;seduces its reader by drawing unexpected but felicitous linkages between disparate citations from the history of literature,quot; a work that is quot;filled with the exegetical projection of our own imaginationquot; --Christian Bok. Told through fragments that accrete through uncertain meanings, romanticized memories, and fleeting moments rather than clear narrative or linear time Boully explores the spaces between too much and barely enough, fecundity and decay, the sublime and the disgusting, wholeness and emptiness, love and loneliness in a world where life can be interpreted as a series of love affairs that are quot;unwilling to complete.quot;
