Life Transitions Publications, United States, 2011. Paperback. Book Condition: New. 241 x 183 mm. Language: English . Brand New Book ***** Print on Demand *****.The staggeringly huge epidemic of Alzheimer s and related dementias presents several huge challenges. Those who already know that Advanced Dementia is the most cruel, longest and most burdensome disease dread it above all other diseases. Still, many are not aware of this recent research: Advanced Dementia patients have an increased risk of unrecognized and untreated pain and suffering. The reasons: patients no longer can verbalize their complaints; and, when they are in pain, their behavior may not be typical. The multitude of burdens make it imperative to seek an answer to this awesome question: If my mental deterioration becomes devastating, is there a way to avoid months to years of prolonged dying, with possibly untreated pain? The definitive answer is: YES! After the book briefly reviews other Living Wills and Advance Directive forms, it offers the Plan Now, Die Later Ironclad Strategy. To the knowledge of the author and editors, this is the ONLY effective Advance Care Planning method that avoids a prolonged dying that also honors the sanctity of life by avoiding premature dying. If you prefer a timely, peaceful transition to a prolonged dying with suffering, this book s detailed steps will help you navigate the path toward diligent, effective Advance Care Planning. Then, your future decision-makers will be able to effectively overcome the powerful opposition s formidable challenges to Natural Dying--a peaceful way to die that is legal almost everywhere. Some examples of the book s practical information are: A) How to create a specific Living Will that is clear and convincing; B) How to select a future decision-maker (health care proxy/agent) you can trust; C) What forms you must add and...
