Win Publishing LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discover these secrets and learn the best way to select and work with the perfect consultant who can deliver HUGE profits and long-term ROI for you! When business leaders are dissatisfied with their results, they get help from a consultant. You could benefit from consulting support if you meet any of these criteria. You, or your team, are: - in crisis mode, or concerned about your company s current performance; - unable to see your company s long-term success and viability; - overwhelmed, frustrated, or stressed out; - failing to deliver the results you are held accountable to hit; - plagued by problems and big challenges you are unable to solve; or - unsure how to move to your company to the next level or achieve your goals. The thing is, not all consultants are created equal. This tell-all book makes the process of picking the right consultant easy for you-so you can experience confidence and peace of mind that you have selected the perfect consultant to guide you to achieve great results, and for your company to thrive. There are four sections to this book. In Section I, Everything You Need to Know About Consulting, you will learn about the consulting industry, the types of consulting companies, the backgrounds that consultants have, and various consulting engagement models. In Section II, How To Work With a Consultant, you will learn literally everything you need to know about selecting a consultant, and then tips and secrets to maximize your return on investment when you engage the consultant. In Section III, Common Business Needs for Consulting Support, you will learn how to think about your specific problems within your company and how to use...
