SMEAR THE PSYCHE ACROSS IT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The poetry comprising this volume grew from the author's experiences captured and recorded in the clutter of an everyday life. From the sublime to the deadly common and sometimes coarse, his observations and realizations appeared around and in between all the daily rigors. All too often these are the realizations that get lost in those ordinary daily dreams that seem just as necessary to living as waking, punching a time clock, and trying to validly experience any life crammed between those two requirements. Wright is not the only one to have ever poked at the larger questions, but in this collection, he's certainly developed a distinct and memorable method of asking and answering them.
