Using MIS plus MyMISLab with Pearson eText, Global Edition (Mixed media product)

By David M. Kroenke, Randall J. Boyle

Pearson Education Limited, United Kingdom, 2016. Mixed media product. Condition: New. 9th edition. Language: N/A. Brand New Book. For undergraduate Introductory Management Information Systems courses. This package includes MyMISLab (TM) Help Your Students Succeed in the Most Important Course They'll Take. As technology continues to change the way organizations do business, knowledge of MIS is critical. Using MIS shows students how organizations use information systems to solve business problems every day. Illustrative cases, exercises, projects, and other aids ensure your students connect concepts to everyday life. Unique guides in each chapter highlight themes in ethics, security, and other timely topics. The 2026? feature hypothesizes how the concepts, technology, and systems will change over the next decade to help students anticipate changes in technology and think about how those affect business. Every year brings important new technology to organizations and the Ninth Edition reflects these trends, providing the latest MIS content available, keeping your students up to date and knowledgeable on how to apply emerging technologies to better achieve their organizations strategies. This package includes MyMISLab, an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they...
