By Wolf D. Storl

North Atlantic Books,U.S., United States, 2013. Paperback. Condition: New. Updated ed.. Language: English . Brand New Book. Various studies have shown time and again that small organic farms and home gardens are capable of producing more food per acre with less fossil energy than large-scale commercial agricultural installations dependent on machines and toxic chemical fertilizers and pesticides. This classic book by Wolf D. Storl, a respected elder in the practice of permaculture, details how food is grown holistically and beautifully by traditional communities around the world, and shows how to apply their ancient wisdom to our own gardens. With interest in natural, sustainable, organic and local food at an all-time high, people are looking beyond their farmers markets and CSA cooperatives to hyperlocal ways of growing healthy, delicious produce in urban gardens and their own backyards. Culture and Horticulture details time-tested methods that are as effective today as they were hundreds of years ago. On the practical front, the book works as a manual for creating and maintaining a bountiful harvest. It explains how to build the soil to maintain fertility; how to produce compost; how to plant, sow, and tend the various fruit and vegetable plants; how to rotate...
