iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What would you do if you found yourself stranded in Paradise? Newlyweds Jenny and Stan are eager to travel before they begin building their family. After seeing an intriguing ad in a travel magazine, Jenny arranges a vacation to a remote Pacific island. The advertisement promises a completely authentic Polynesian experience. Despite an arduous journey to reach their paradise, they are excited to immerse themselves in the history, adventure, and culture of the Polynesian islands as they were before contact with the western world. Led by the zealous Kimo and his beautiful partner Nani, Henderson Island first appears as idyllic as hoped. The island's natural environment promises to provide for all their needs without modern materials and technology. Several days after arriving, however, an unusual storm disrupts their routine. And when the weekly flight back to civilization fails to arrive, tempers flare and deep rifts among the guests are formed. Day after day passes with no sign of life beyond Henderson Island's shores. As days extend into weeks and months, Jenny, Stan and the other vacationers are left searching for explanations, rescue, and finally a new reality.
