

Embouchure Building for French Horn (Paperback)

Filesize: 9.59 MB

Reviews

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

(Prof. Barney Harris)

EMBOUCHURE BUILDING FOR FRENCH HORN (PAPERBACK)

Alfred Music, 1985. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This book has been compiled to aid teachers and students in the development of the French Horn embouchure, particularly in the important period following elementary development. It is based upon the theory that, mechanically, nearly all of the problems to be met by the player in the orchestra, band, chamber ensemble, etc., can be covered by a comprehensive daily routine of practice. Various drills have been devised, with no claim to originality, to cope with the various mechanical problems of embouchure with which the player is faced in the field.
