

World War 1 - The Western Front to Verdun and the Somme (Hardback)

By Minifig Battlefields

Collis Enterprises Ltd, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Great War was the first global conflict of the industrial age and launched on a wave of patriotic fervor and optimism. With the commemoration of the 100 years of the start of the Great War, young people are getting engaged to tell their stories from photos and letters found in the attic, to spoken stories handed down. These projects are fascinating, appealing and rich in content and memories. To present this historical period this book narrates the history of World War 1 using short re-enactment and scenes built from our Minifig Battlefields military figures, the accessories, trenches, battlefields and weaponry used in the campaign. Military tactics before WW1 failed to keep pace with advances in technology. These advances, particularly on the Western Front in Europe, allowed the creation of strong defensive systems such as trenches, while barbed wire, artillery and machine guns made crossing the ground in between, no-mans-land , extremely difficult. It was into this that soldiers of the major powers on the Western Front, the Germans, the French and the British, found themselves placed in 1914, armed only...
