Reviews

Completely essential study ebook. This is for all those who statte there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.
(Jarrell Kovacek)

THE FINER POINTS OF SAUSAGE DOGS

Vintage Books Canada, Toronto, ON, Canada, 2004. Soft cover. Condition: New. McIntosh, Iain (illustrator). 128 pages. Book Description: A deliciously entertaining new series by the bestselling author of The No. 1 Ladies Detective Agency. The many fans of Precious Ramotswe will find further cause for celebration in the protagonist of Alexander McCall Smith's irresistibly funny trilogy, the eminent (if shamefully under-read) philologist Professor Dr. Mortiz-Maria von Igelfeld of the Institute at Regensburg. Unnaturally tall, hypersensitive to slights, and oblivious to his own frequent gaucheries, von Igelfeld is engaged in a never-ending quest to win the respect he knows is due him. Portuguese Irregular Verbs follows the Professor from a busman's holiday researching old Irish obscenities to a flirtation with a desirable lady dentist. In *The Finer Points of Sausage Dogs*, von Igelfeld practices veterinary medicine without a license, transports relics for a schismatically challenged Coptic prelate and is mobbed by marriage-minded widows on board a Mediterranean cruise ship. In *At the Villa of Reduced Circumstances*, the final novel in the trilogy, we find our hero suffering the slings of academic intrigue as a visiting fellow at Cambridge, and the slings of outrageous fortune in an eventful Columbian adventure. About the Author: Alexander McCall Smith is Professor of Medical Law at the University of Edinburgh and the author of over fifty books. These range from specialist titles such as *Forensic Aspects of Sleep* to *The Criminal Law of Botswana* and *The Children of Wax*, a collection of African folk tales. But he is best known for writing *The No. 1 Ladies Detective Agency* series, which has achieved bestseller status on four continents.
