

Infections Au Vih Et Zoonoses (Etudes Fao: Production Et Sante Animales) (Paperback)

By Food and Agriculture Organization of the United Nations

Food Agriculture Organization of the United Nations (Fao), Italy, 2007. Paperback. Condition: New. Language: French . Brand New Book. Les interactions entre les animaux et l homme sont particulièrement complexes et le personnel soignant devrait etre conscient du role potentiel que jouent les animaux dans les maladies infectieuses chez les patients infectes par le VIH. Ce document a pour but d une part de donner un apercu des principales zoonoses jouant un role significatif dans l epidemiologie du SIDA et d autre part de fournir au personnel soignant implique dans le suivi des personnes infectees par le VIH un outil pratique et facile a utiliser.

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

-- **Paula Gutkowski**

These types of publication is the greatest publication available. It really is filled with knowledge and wisdom. Once you begin to read the book, it is extremely difficult to leave it before concluding.
