## LANDLINE

Orion Publishing Co. Paperback. Condition: new. BRAND NEW, Landline, Rainbow Rowell, What advice would you give the younger you.and would you listen? As far as time machines go, a magic telephone is pretty useless. TV writer Georgie McCool can't actually visit the past; all she can do is call it, and hope it picks up. Is she going crazy or is this a chance to make things right with her husband, Neal? Maybe she can fix the things in their past that seem unfixable in the present. Maybe this stupid phone is giving her a chance to start over.if that's what she wants.A heart-wrenching - and hilarious - take on fate, time, television and true love, Landline asks if two people are ever really on the same path, or whether love just means finding someone who will keep meeting you halfway.
