Lessons and Laboratory Exercises in Bacteriology: An Outline of Technical Methods Introductory to the Systematic Study and Identification of Bacteria, Arranged, for the Use of Students (Classic Reprint)

By Allen John Smith

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lessons and Laboratory Exercises in Bacteriology: An Outline of Technical Methods Introductory to the Systematic Study and Identification of Bacteria, Arranged, for the Use of Students The following pages were originally arranged as a series of exercises to be carried out by the class in the University of Texas under the guidance of an assistant, the hours of work of the several classes so overlapping that it was impossible for the writer to give his personal attention to the class in this laboratory, for the work in which he was, however, responsible. The exercises were outlined daily upon the blackboard, and verbal instructions as to their purpose and the manner of procedure given, as required, to the class. The arrangement being found well adapted to systematic work, it has been continued, with changes from and some additions to the original scheme, for several years; and recently, at the request of some of his students and with the thought that perhaps others might find some such definite arrangement of work of use in teaching, the writer...
