

A New Reality: My Life with ALS (Paperback)

By Eloise Lovelace

Outskirts Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Eloise Lovelace was a healthy, active woman who, even at the age of sixty, looked forward to many years of travels, outdoor escapades and adventures with the grandchildren. With her love of the outdoors, she had spent a good part of her life camping and hiking in the mountains, or hearing the sounds of the surf as she strolled along the beaches. She and her husband raised two beautiful girls who grew up to create warm, loving families. Ms. Lovelace became a special education teacher, instilling in her students a love of new experiences and opportunities for inclusion with the community around them. Ms. Lovelace learned, at age 63, that she had Amyotrophic Lateral Sclerosis (ALS), or Lou Gehrig s Disease, a debilitating, progressive disease for which there is no cure. Rather than have her world fall apart, she first fought the disease, through researching any possible causes and through engaging in every drug trial for which she was qualified. When these failed to make a dent in the cruel course of the disease, she began accepting the many changes that were taking place...
