A SIMPLE EXPLANATION OF MODERN BANKING CUSTOMS

Createspace, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.A Simple Explanation of Modern Banking Customs By Humphrey Robinson This is an historical text After some years of work in a bank, it has been impressed daily upon the writer that, if the depositors were fully informed about the details of the conduct of banks, closer and more satisfactory relations would result. Hence this attempt to explain, in a simple and concise way, avoiding as much as possible the use of technical terms, certain things that every depositor should know. For ten years the writer was in business. For an equal length of time he has been connected with a large city bank. He remembers his utter lack of comprehension of banks and their ways, and his consequent mistakes, perplexity, and embarrassment in dealing with them. Also the unfairness and prejudice with which he often judged them. Recalling all this, he believes that, without giving offense, he can state these facts.
