Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Zaccmedia, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. The unpredictable and violent turbulence in the world today is a deepening sign of impending persecution against God s Church today. The signs are clear to see. The Bible warns of the love of many growing cold and a great falling away. In this book, the author challenges the modern day Christian and considers whether the falling away refers to the churches, Having a form of godliness, but denying the power thereof. This inspirational book is a check on your local church. Does your church run its events amazingly well, yet is powerless in the supernatural realm? Is your church applying the divine covenants intended to give us spiritual authority through Jesus, or is it applying only good works to convince man? God is looking for His spiritual strongholds of faith, rooted in His covenant promises that are outworked through the gifts of the Holy Spirit, to withstand the coming wave of wickedness. This book tells you where the firm ground is to stand, so you won t fall.
