

Massachusetts (Paperback)

By Aaron Michael Tate

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s clear to me and many other people the need to establish oneself to the cultural identity of a person s time period prior to ones own in order to better understand the present age in which one lives. Slavery is the main protagonist and antagonist of American History, no other form of relationship between two human being has ever been so controversial as to cause the civil war and other problems of race and politics that stand clear to this day as problem rooted in a lack of moral and legal human rights movements for people deprived of their freedom in the prime of their life s. The Master s Plan is the original thirteen colonies turned into thirteen poetry books to display the foundations of the African American Civil Rights Movement in the 1960 s as a result of a far less known tale of one man who became to so many a voice of abolition that spoke to the heart of the issue at hand can one man take another s freedom without losing his...
